## Accommodation

MIS has blocked a limited number of hotel rooms for our guests and staff members at Hotel Ananas. The hotel is ideally situated in Vienna's vibrant city center, close to many famous sites such as the Ringstrasse, the Albertina Museum, the St. Stephan's Cathedral and the Opera House. Since the allotment of hotel rooms is limited, we would gladly register any of you who would apply their request without delay. The hotel rate is €170 per night (B&B) for single, twin or double room. Please note that if you choose to use MIS' service for your hotel reservations, charges will be submitted by MIS within your current billing.
